Biography

I started my Bachelor of Statistics at Tabriz University, Tabriz, Iran. I successfully finished my Bachelor's degree. Then, I quickly showed a strong desire for this field as a Master's student at a top-rank university in Iran, Shahid Beheshti University of Medical Sciences, Tehran, by achieving the 3rd rank in National Post-Graduate University Examination. I continued my academic career as a Ph.D. student, after achieving the 3rd rank in the National Ph.D. Examination. Then I pursued my doctorate in Biostatistics at Shahid Beheshti University of Medical Sciences, Tehran. Now, I am an Associate Professor in Biostatistics and an academic member of the faculty of Health Sciences at Tabriz University of Medical Sciences (TBZMED), Tabriz, Iran.
